

The Alphabet

● İngilizce alfabeyi aşağıdaki yıldızların içine yazalım.

The worksheet is designed for children to practice writing the English alphabet. It features a circular arrangement of stars, each with a dashed line for writing. The letters 'a', 'e', 'i', 'n', 'q', and 'u' are already written in some of the stars. The page is decorated with a superhero girl on the left and a superhero boy on the right, along with comic-style sound effects like 'BAM!', 'BOOM!', and 'KAPOW!'. There are also several yellow stars scattered throughout the page.
