

1. Rapunzel'in prenese ulaşmasına yardımcı olmak için aşağıdaki su damlalarının üzerine 1'den başlayarak 50'ye kadar 1'erli sayıp yazınız.

A grid of 50 water droplets arranged in 10 rows and 5 columns. The first droplet in the top row is labeled with the number '1'. To the left of the grid is an illustration of Rapunzel with long blonde hair, and to the right is an illustration of the prince. A pink arrow points from Rapunzel to the first droplet, and another pink arrow points from the prince to the last droplet in the bottom row.

2. Kırmızı Başlıklı Kız'ın kurttan kaçmasına yardımcı olmak için su damlalarının üzerine 50'den başlayarak 99'a kadar 1'erli sayıp yazınız.

A grid of 50 water droplets arranged in 10 rows and 5 columns. The first two droplets in the top row are labeled with the numbers '50' and '51'. To the left of the grid is an illustration of a wolf, and to the right is an illustration of Little Red Riding Hood. A pink arrow points from the wolf to the first droplet, and another pink arrow points from Little Red Riding Hood to the last droplet in the bottom row.
